Onward House Christmas Gift Appeal

Onward House is an outreach facility located in a low-income neighborhood (Belmont Cragin) in Chicago. It provides preschool (day care) programs, Head Start programs, after-school tutoring and social clubs, a computer lab, and a food bank and clothing depot (among other things). The name or names you have chosen are from those participating in this program. Many of the children will receive little from their families for Christmas. No other group has been given the same names. It is very important, therefore, that you select a gift or gifts for the person/persons you chose and return it/them to the church by the designated date. Gifts will be brought to Onward House on December 16th, 2018 where there will be a Christmas party for the children. The children then take the gifts home where they will open them on Christmas day.

PLEASE NOTE:

1. There is a $50-$75 price range for each name chosen. This is to keep the gifts somewhat comparable. If you cannot do this much and would still like to participate, please buy a toy or gift, wrap it, put a gift label on it and write in pencil what is in the package and the age and sex for which it would be appropriate. If you would like to spend more, please take more names or see **Marge Kovatch**. All children should receive toys. You may also purchase clothing if you wish and if you can manage to keep your cost within the price range. Needy children, especially, marked with an asterisk, should get clothing, too, and will require spending in the higher price range. If you buy a toy that needs batteries, please include batteries in your package, too.

2. The name that you chose is a sticky label which is to be used on your package.

3. Please wrap gifts together in one solid box (no ribbons or bows). If you have purchased more than one gift for the same person, please try to put all gifts together in one solid box. If this is not possible, please be sure to put the name on all boxes and bind them securely together. Tape will tear the wrapping paper if it is used to hold unlike sized boxes together. If you cannot find a box that fits everything please see **Marge Kovatch**. We have some bags that can be used if necessary.

4. When you chose a name you were given an index card. Please write the name of the child/senior you chose at the top followed by the number on the card. Below this, list everything (including batteries, etc.!) you bought and included in the gift for that person. Please return this card with, (not attached to), your gift. 5. **Gifts must be returned to the church by DECEMBER 16.** Immediately after church that day they will be delivered to Onward House. 6. If you have any questions, please call **Marge Kovatch** on her cell (630) 642-6421. THANK YOU --- and HAVE FUN!!!
