

Confirmation Service Hours

Service hours are required to complete the FCCGE three-year confirmation program. Hours may be earned and combined over the course of the three years for a **total of 40 hours**.

It is encouraged that half the hours would be served with church activities such as:
assisting in 345 Fellowship, singing in Jr Hi Singers, assisting in Starlight Cinema on Family Sundays, cleaning up after All-Church Dinners, washing mugs after worship, helping on garden work days, participating in Environmental Ministry team sponsored activities, attending the fall 7th & 8th grade work retreat at Tower Hill, volunteering at Vacation Bible School or providing childcare during special worship services.

Half of the hours served should be out in the community such as:
volunteer tutoring in afterschool programs, serving at PADS, collecting and delivering food to a food pantry, raking leaves for an elderly neighbor, or babysitting for a family in need, serving as a Feed My Starving Children food packer or via school service projects or other missions that you still your passion.

Families will be notified of special coordinated group service hour activities throughout each program year. If you have any questions, please contact Catherine Curtis, Director of Christian Education at catherine@fccge.org.
