

DUPAGE UNITED ASSEMBLES TO “TURN POWERLESS INTO POWER WITH” ON AFFORDABLE, SUPPORTIVE HOUSING, TRAFFIC SAFETY, AND INCREASED MENTAL HEALTH SERVICES

More than 260 faith and community leaders gathered on Sunday, November 12 to mark two decades of organized citizen action in DuPage County.

Co-chaired by DuPage United (DU) leaders Deborah Suggs of the Marian Park Apartments and Nader Hamdan of Mecca Center, the assembly celebrated recent successes, such as the approval and secured financing for the building of DuPage County's new Crisis Recovery Center, and discussed ongoing initiatives, like securing a pedestrian crossing at a very dangerous Roosevelt Road crossing near the Marian Park Apartments in Wheaton and turning a long-vacant hotel into affordable, accessible, and supportive housing in Glen Ellyn.

FCCGE had 25 people registered and 22 in attendance on Sunday. The hour long assembly was videotaped and can be found at:
