ABOUT CAMP

Hosted by **Tower Hill Camp & Retreat Center** on the shores of Lake Michigan, adjacent to Warren Dunes State Park. Our lodgings are comfortably furnished, climate-controlled, with family bedrooms & semi-private restrooms in St. Philippus and The Lodge.

Parents, grandparents, aunties, uncles - join the children in your lives & come together to immerse yourselves & play in Creation while learning how to serve as the "land defenders" & "water protectors" that God's Creation needs at this time.

Guest speakers include: a member of the Pokagon Band of Potawatomi & an Outreach Manager from the University of Wisconsin-Milwaukee School of Freshwater Sciences, the largest water-focused academic research institute on the Great Lakes.

Nature-based activities will immerse campers in Creation to inspire & equip all ages to turn faith into action.
